licensure is required under this article.

(c) This section does not apply to:

(1) a hospital or an ambulatory outpatient surgical center that is operated by the federal government or an agency of the federal government; or

(2) a construction project begun before July 1, 2005.

For purposes of this subsection, a construction project is considered to have begun on the day that the physical erection, installation, alteration, repair, or remodeling of the building or structure commences.

(d) Before the owner of:

(1) a hospital or proposed hospital may begin a construction project that is estimated by the owner to cost at least ten million dollars (\$10,000,000); or

(2) an ambulatory outpatient surgical center or a proposed ambulatory outpatient surgical center may begin a construction project that is estimated by the owner to cost at least three million dollars (\$3,000,000);

the owner shall make at least two (2) public announcements concerning the construction project and publish notice of each announcement at least ten (10) days before the announcement is made.

(e) A notice published under subsection (d) must meet the standards specified for public notices in IC 5-3-1.

(f) An announcement made under subsection (d):

(1) must:

(A) be made at a location not more than ten (10) miles from the site of the construction project;

(B) be made exclusively by the owner or the owner's representative; and

(C) include:

(i) a description of;

(ii) an estimate of the cost of; and

(iii) a statement regarding the owner's reason for; the construction project; and

(2) may be made:

(A) on any day of the week other than Saturday or Sunday; and

(B) at any time not earlier than 8 a.m. or later than 5 p.m.; as determined by the owner.

(g) Except as provided in this section, the:

(1) subject matter of; and

1 (2) procedures governing;
2 an announcement made under subsection (d) are determined
3 exclusively by the owner or the owner's representative.

4 (h) An announcement made as required under this section does
5 not cause any information or materials possessed or held by the
6 owner or the owner's employee, contractor, agent, or
7 representative to be discoverable or considered public information
8 or public materials.

9 (i) A statement or question concerning a construction project,
10 or an objection to a construction project, that arises during an
11 announcement made under this section may not cause a delay in or
12 denial of the issuance of a license under this article.

13 (j) Compliance with this section may be enforced only by the
14 state department.
